# Northen California **DUCATI** Bike Nights

## **Benvenuto Ducatista!**

We are a group of enthusiasts who share a passion for the Ducati brand. We believe in safe and responsible riding on the street, and utilize the track to improve our riding skills. We emphasize maintaining our Ducati's in top condition, while developing camaraderie through shared riding experiences. We conduct weekly dinner events throughout the greater San Francisco bay area, the yearly La Ducati Day charity event in La Honda, track days, destination rides, and tech days.

More adventures are planned for the future, so please revisit the site for more information on membership, discounts with local Ducati dealers and other Ducati targeted companies, and other events to come. To join NOR CAL DUCATI DOC (it's FAST and it's FREE), please register @ [www.norcaldoc.com](http://www.norcaldoc.com)
